

MAINE SCHOOL ADMINISTRATIVE DISTRICT NO. 33

POLICY ON PROFESSIONAL IMPROVEMENT

The Board of School Administrative District No. 33 requires all professional staff to continuously improve in the area of educational skills. Graduate training in the individual's area of certification, acquisition of additional endorsements, administrative coursework or related specialists coursework are all appropriate areas of training and considered required by the Board when approved by a Board approved committee and the superintendent.

Approved by the Board of Directors
on June 18, 1990
