

MAINE SCHOOL ADMINISTRATIVE DISTRICT NO. 33

WISDOM MIDDLE/HIGH SCHOOL HARVEST POLICY

1. Farmers requiring the use of students outside the regular harvest period may do so.
2. For students excused to work on the harvest, the farmer must call the school prior to the dismissal of any student so the office may account for that student. Regular attendance rules will not apply to students excused for harvest work under this policy.
3. Other absences will be unexcused except those covered by the provisions of the School Attendance Law, Title 20-A M.R.S.A.; Section 5001-A; paragraph 4, **Excusable Absence**.
4. It is in the best interest of the school and community to cooperate during the harvest period.
