

MAINE SCHOOL ADMINISTRATIVE DISTRICT #33

Student Use of Cell Phones and Other Electronic Devices

The Board recognizes that many students possess cell phones and other electronic devices. These devices may not be used in any manner that disrupts the instructional process or violates Board policies or school rules.

M.S.A.D. #33 shall not be responsible for the loss, theft or damage to cell phones or other electronic devices that students bring with them to school or school activities or use on school transportation.

The following provisions apply to student use of cell phones and other electronic devices:

- A. Students are permitted to use privately-owned electronic devices including but not limited to cell phones, MP3 players, handheld computers, and electronic games at school, but they must remain out of sight and on “off” mode during class time unless the teacher or building principal authorizes use for a specific educational, health or safety purpose.
- B. The use of cameras, including camera phones, is strictly prohibited in locker rooms, bathrooms, and other places where privacy is generally expected. In all other school locations, permission must be granted before photographing another person.
- C. The use of a cell phone or other electronic device in any manner that violates Board policy or school rules is prohibited. This includes but is not limited to harassment, cheating and violations of the student code of conduct. If a Board policy or school rule is violated, the teacher or school administrator may confiscate the device. Student cell phones and other electronic devices may be subject to search if there is reasonable suspicion of a violation.
- D. Students who violate Board policy or school rules may be subject to disciplinary consequences which may include:
 - 1. Confiscate the device until the end of the school day for a first offense and require the parent to come get the device for a subsequent infraction;
 - 2. A conference with the student’s parent/guardian;
 - 3. Exclude the device from school for an extended period of time;

4. Penalties up to suspension or expulsion from school, depending upon the nature and circumstances of the violation and the student's prior disciplinary record; and
5. Referral to law enforcement.

The Superintendent/designee may develop additional rules to implement this policy. The policy and rules will be communicated to students and parents through the student handbook and/or the student code of conduct.
